Due to variations in screen displays, laminates shown here may not match actual laminates exactly. See actual samples for accurate representations. Due to natural color variations in the grain and color of wood, there may be slight variations in color from one piece to another. Exposure to light and the aging process may also cause darkening of natural wood products. Due to these factors, DARRAN does not guarantee exact matches from item to item.

### Leg finishes

### Insert Felts

Screen inserts can be felt or veneer

Established in 1977, we at DARRAN are experts in furniture manufacturing with a unique built-to-order process, where each piece is individually crafted to your specifications and expectations. Your furniture will continue to provide service and fine craftsmanship very little care for years to come.

**ACRYLIC**

Clean with a soft cloth and mild, non-alkaline detergent. Avoid abrasive cleaners and other silicone cleaners that will leave residue. Wipe glass until dry.

**METAL FINISHES**

Clean with mild soap and water mixture. Dry with soft cloth. Do not use waxy polish or cleaner, ammonia or chemical solvents.

**WOOD AND LAMINATE**

Clean with a soft cloth and a mild soap and water mixture. Use approximately 32 oz of water mixed with one tablespoon of dish soap, always wiping with the grain. Dry with a soft cloth, going with the grain, to avoid spotting or streaking. Wood products should be waxed periodically using a non-wax liquid; please do not use any waxy polish or cleaner. Interior of drawers may also be cleaned with mild soap and water mixture, or any household cleaner that is not petroleum or thinner-based.

Before disinfecting surfaces it is recommended that the surface be free of dirt, grease and other debris. Please following cleaning guidelines before disinfecting surfaces. Do not use household bleach solution or alcohol solution on veneer and wood surfaces. We recommend Clorox® Disinfecting Wipes - no bleach and Clorox® Healthcare VersaSure® Wipes. Please follow product instructions for disinfecting.
